Dear All

This message is targeted at the participants of the JHYC Valentines Regatta and is a gentle reminder of a couple of important points.

CSA Certificates

This is a international event and will be run for boats with a current CSA handicap certificate, and only boats with a valid up to date certificate will be able to participate in the event.

Registration will take place between 14:00 hrs and 17:30 hrs at the regatta headquarters office next to West Point Bar you must bring your CSA certificate with you to register your boat.

If you don't have a current certificate please contact either of the 2 local approved measurers to get either your new certificate or up date your existing, we are pleased to say Sandy will be at the registration to answer any queries you may have, he is also available by phone to help you if necessary.

Mooring of visiting boats

I am delighted to say Charles Kenlock owner of Jolly Harbour Marina continues to support our Yacht Club and this event, and has offered berthing as per the detail below.

Docking in the Marina on Saturday and Sunday for race registered yachts is complimentary, the race committee will provide a list of entrants to the marina.

Utility hook up can be arranged for a fee by contacting the Marina Office at 462 6041 or VHF 68 between 8am and 5pm.

Sports boats should moor to the Broadwalk opposite D Dock (blue flag).

Yachts with engines should dock on A Dock (white flag) - berths 33 to 38.

Call VHF 68 for Dockmaster assistance

Further information about the Marina facilities can be found at

www.jhmarina.com

Jolly residents will no doubt notice within the rules all boats have to be kept in the water for the duration of the race.
